

Join us **C**olumbus **D**ay to call for landmark designation for the **SOUTH VILLAGE!**

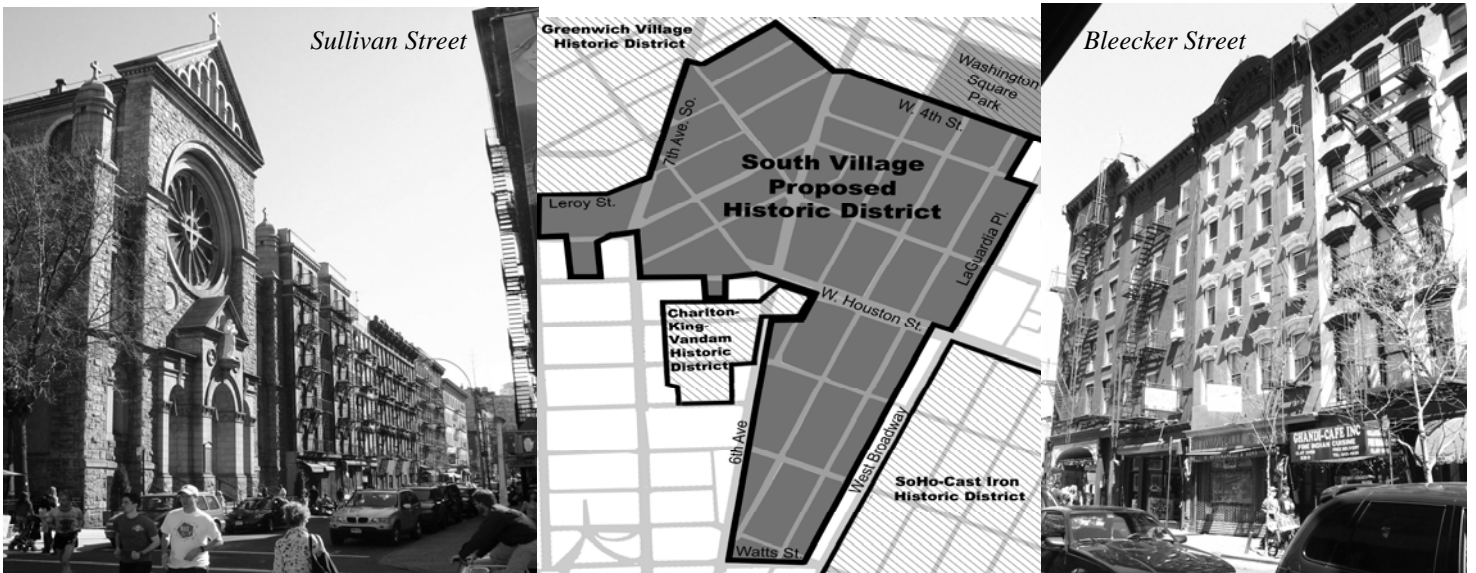

*The Greenwich Village Society for Historic Preservation has proposed a **South Village Historic District** to honor and preserve this neighborhood's special history and architecture. Join us on Columbus Day as we celebrate the South Village's Italian-American heritage and all the reasons why it deserves to be landmarked. Without the landmark protections it needs, the South Village's historic buildings can be lost at any time, and its character destroyed.*

Monday, October 8th at 10:30 am
at Father Demo Square
Bleecker & Carmine Streets (at 6th Ave.)

For more information, go to www.gvshp.org/southvillagenews.htm.
